On behalf of our wastewater utility, I wanted to write to personally thank you for your invaluable assistance in the completion of our project at the Lexington Street Lift Station. Thank you for your commitment to us as a client and for staying committed to the end to ensure that our needs were adequately addressed. The outcome of the project was positive and met the expectations that I had for the project. I was very impressed with you both personally and as a business person. I look forward to working together on projects in the future.
